

# S-E-A Retail & Hospitality Practice

The retail and hospitality industry brings people and environments into close proximity. With over 50 years of experience and cutting-edge tools like drones, 3D laser scanners and scanning electron microscopes, our team delivers precise and reliable investigations. Whether assessing structural integrity, analyzing incidents, or evaluating building systems, we provide actionable insights to address complex challenges and mitigate risks.

Retail and hospitality industry accidents can have serious consequences for employees, customers, and the business itself.
